The fourth clerk whose appointment was recently sanctioned, has been attending to Record sorting work and it is hoped that all theold records will be sorted and indexed before the next inspection The arrears of Mohatarfa Taxes outstanding on 1st July 1942 was Rs 4491-15-3 A sum of Rs 3,941-7-0 has been since collected towards the arrears and Rs 1,385-6-6 collected against the demand of Rs 6,590-9-0 towards the current demand up to end of November 1942 25 cases of remission to the extent of Rs 220/- are pending final orders Owing to the local conditions and of the general revision of assessment which has not been finally decided by the revising Authority, the collections towards current demand have not shown much progress It is hoped that the revision will have to be given effect to from the 2nd half of 42-43, and collections pushed through strenously No efforts are being spared to reduce the arrears
